**IT'S YOUR CHOICE!**  
**LOW PRICE**  
**HIGH PERFORMANCE**

**TECHNICAL DATA,**  
**FEATURES AND DRAWINGS**

The entry-level models for those who search for a low-cost dishwasher for commercial use. Ideal for start-ups and companies with irregular washing frequency, which invest in a dishwasher for the first time. **ecomax** meets all requirements for hygienic wash results.

**ECOMAX F504**  
**DISHWASHER**

*With a high capacity of up to 60 racks per hour, this dishwasher is a reliable partner for club houses, bistros, and fast-food restaurants. The practical floor unit fits under every work counter.*

**FEATURES**

- Electronic control with digital temperature indication for easy operation
- Rotating wash and rinse arms for an even water distribution
- Indented nozzles prevent blocking
- Integrated counter for cycles and water consumption, e.g. for control of water treatment system
- Deep drawn rack track for easy cleaning
- USB connection for easier service access
- Incl. connection cable, supply and drain hose for immediate operation
- Thermostop function for guaranteed temperatures
- Self-cleaning programme for hygienic cleanliness also in the machine (F504-20B)
- Tank strainer reduces soiling of the tank water
- Optional cabinet base for ergonomic operation

\* For machine protection the water hardness should not exceed 3°dH, if higher we recommend using an integrated water softener or an external water treatment system.

\*\* For use of an external water treatment system, an integrated rinse pressure pump is necessary.

\*\*\* Flow pressure with integrated rinse pressure pump: 0,8-4 bar

● inclusive ○ optional – not available

**Undercounter dishwasher model F504**

① Drain hose ② Supply hose ③ Power cord ④ Detergent ⑤ Rinse aid

\*) depending on the device chemical dispensers are not included
