ACCESSORIES

- Mixer arms MA-10

SALES DESCRIPTION

Adjustable-speed motor unit.
 Designed for continuous use.

All-in-one

- ✓ Versatility with just 1 mixer arm, without add-on tools.
- ✓ Vario-speed: adjustable speed.
- ✓ Ideal for mise-en-place and support in service.
- ✓ Designed to work with maximum comfort in recipients of up to 10 litres of capacity.
- ✓ 2 mixer arms available.

Maximum comfort for the user

- ✓ Compact design: logical and manageable size.
- ✓ Ergo-design & bi-mat-grip: The external casing, in two materials, allows an ergonomic hold with an anti-slip grip and the handle features optimum inclination to minimise fatigue.
- ✓ Click-on-arm: detachable arm with quick and safe locking.
- ✓ Hood designed to avoid splashes during work.
- ✓ Intuitive use: very simple operation. Includes warning light when the machine is connected to the mains.

Designed to last

- ✓ Professional performance: it is capable of carrying out prolonged work without overheating.
- ✓ Life-plus: equipped with a motor which has passed all of the most
